MODULA CASE SYSTEM

Η εταιρία Modula παρουσιάζει τη νέα συλλογή από μπαγκαζιέρες οροφής για το καλοκαίρι 2012.
 Η νέες σειρές WEGO και CIAO ήρθαν για να συμπληρώσουν τις ήδη επιτυχημένες σειρές TRAVEL και TRAVEL EXCLUSIVE.
 Παρά τις οι τεχνικές βελτιώσεις με κύριες ηρώτα αν'ότι η τριπλή κεντρική κλειδαριά, τη βελτίωση του κάτω μέρους για μεγαλύτερη αντοχή και maximum ασφάλεια και σταθερότητα.

Modula Case System presents the new spring summer collection 2012. By introducing the new roof boxes WEGO! and CIAO-), alongside the TRAVEL and VOYAGER series, today Modula Case Systems is able to offer a complete range of roof boxes to suit the various requirements of the client, which are more and more attentive to the market novelties. Depending on the different models, available capacities and colors, the Modula Case System product range consists now of more than 25 different roof box versions.

Our technical R&D staff came up with various improvements for the Travel Series. First of all, a third central locking point, for a better structure of lid and bottom part during the opening and closing procedures (on Travel Twin, Travel Exclusive and the new Wego!). Further to that, the bottom part has been reinforced by increasing the material thickness and by introducing cross-sections for a higher tensile strength, in order to guarantee the maximum security and loading stability.
